Anatomy Bingo

1. Write one word from the word bank below in each box of your bingo card until every box contains a word.
2. Choose words randomly.
3. Use each word only once.
4. For each definition the teacher reads, try to think of the word the definition describes.
5. If the definition is for a word you have written down, cross out the word on your bingo card.
6. Play each round according to the chart below:

Round One

A complete line in any direction.

Round Two

All outside boxes are filled in.

Round Three

All boxes are filled in.

Name: _____

Name: _____

Promoting Healthy Fetal Development

Produce an advertisement promoting healthy fetal development.

1. Choose ONE of the following to create:

- Poster
- Infographic
- Series of 3 Instagram ads
- Video/TikTok
- Comic strip
- Podcast

2. Choose ONE of the following audiences:

- A pregnant person
- A partner of a pregnant person
- A family member of a pregnant person
- A grade 6 student

3. Choose ONE OR TWO of the following topics:

- Things to avoid when pregnant
- What a pregnant person can do to promote healthy fetal development
- What a father/partner of a pregnant person can do to help
- What a family member of a pregnant person can do to help
- What a student can do to help

4. Brainstorm your ideas and plan the layout/design/script for your project.

5. Develop a finished product.
