

# Grade 9

# Types of Communication

## Assertive

- stand up for their rights without denying other people theirs
- respect themselves as well as others
- ask for what they want in a straightforward manner
- express their emotions (both positive and negative) in a healthy manner

# Types of Communication

## Passive

- give in and say yes even when they don't want to
- put the feelings and concerns of others before their own
- keep their concerns to themselves

# Types of Communication

## Aggressive

- think of themselves first, at the expense of others
- dominate others
- use threats or force

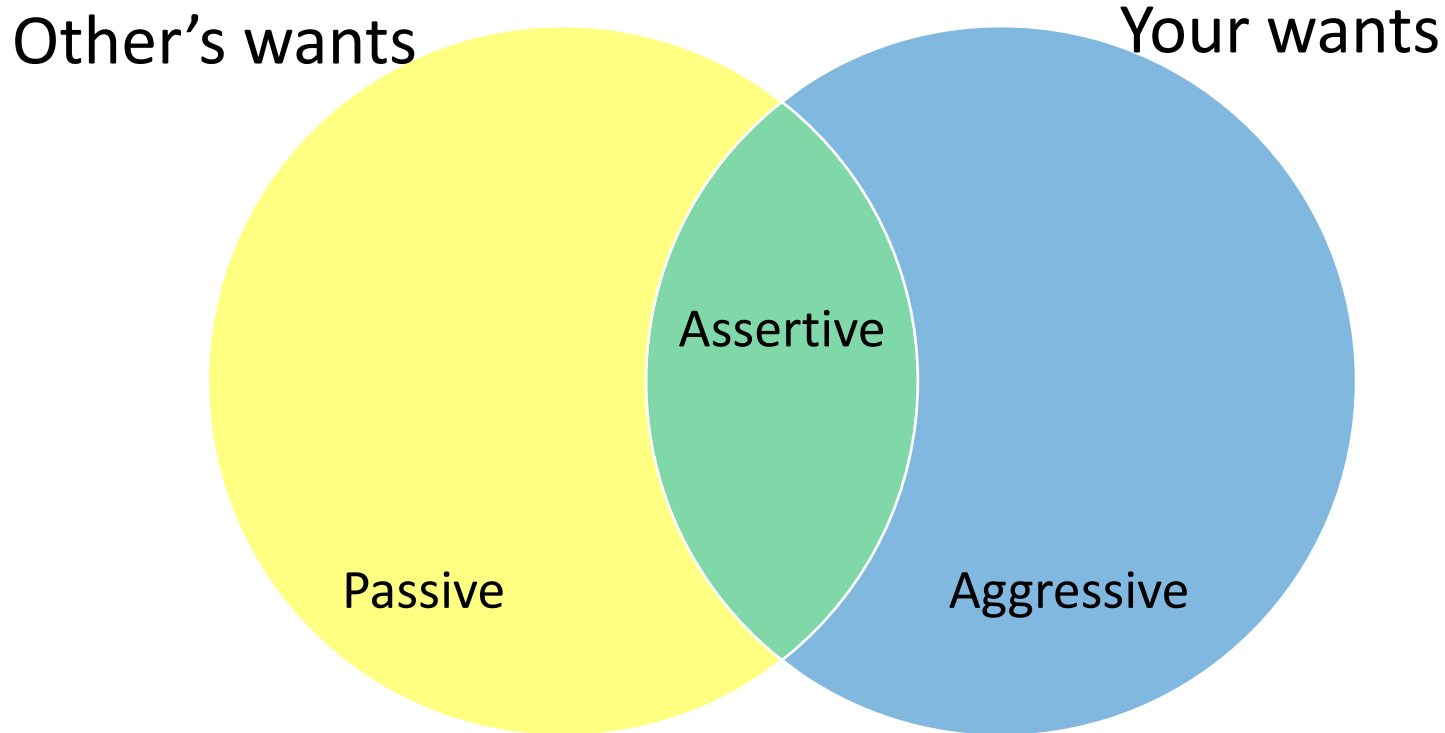

# Types of Communication

## Passive-Aggressive

- may seem to agree to avoid confrontation (passive) but will manipulate others to say things for them, or say things behind someone's back (aggressive)
